Well done to all of our 'Super Stars' at MIS this week for showing resilience in their learning. MJS celebration photos will be on next week's newsheet from the assembly this afternoon.

There are lots of dates in the diary for events leading up to the end of term. Please check the dates at the end of the newsletter and the live diary on the school websites. (Please note some have been amended)

JONK - Joy Of Not Knowing

This week we have been thinking about resilience. The key to resilience is accepting failure, picking yourself up and learning from your mistakes. In Monday's assembly the children heard the story 'Oh, the places you'll go' by Dr. Seuss and watched a clip about an athlete who showed resilience leading up to winning a gold medal <http://www.youtube.com/watch?v=WOrIv8sB4vg> We are looking for the children to suggest an animal which could represent resilience. It could be shared by painting a picture, making a model, writing a story or creating a fact file. Time to get creative!

Athlete Visit

On Wednesday, GB athlete and Olympian, Joe Roebuck visited our school alongside fellow Olympian, Amy Smith. We begun the day with a fitness session which involved 4 different activities that we had to keep up for a minute each. Although it may sound fairly simple, I think we all agreed it was quite exhausting. As you can see from the faces on the photos though, it was great fun and everyone joined in- even the staff! One of the children was overheard saying "That was the best time of my life!"

MJS host local Kwik Cricket tournament

Despite the wind and rain, 8 teams assembled on our field on Monday for the first cricket tournament of the year. Coming in third place, the teams were very pleased with their first performance and thoroughly enjoyed their afternoon.

Mixed Cricket County Qualifiers

With a totally different season (or so it seemed!), the cricket team were out again on Tuesday to compete for the County Qualifiers at Bradfield CC. There was a total of 4 teams and the matches were very close and many came down to a few single runs scored. All players and staff returned with big smiles and slightly pink noses!

Sports Day

On Tuesday 27th June, MIS and MJS are coming together for a day of sporting events - come and enjoy the day with us! There will be house events in the morning followed by a picnic lunch on the field and then racing in the afternoon. Refreshments will be available to buy.

Come in your trainers and be prepared to get roped in!

Please note, there will be no hot lunches available on this day, only snack packs. Also, your child will be invited to wear a t-shirt of their house colour.

Sainsbury's Vouchers

Thank you for the 100's of vouchers which have been brought into school already. If you have any more at home, tucked in pockets or stashed the car...please could we have them!? We've been lucky enough to receive a range of sports equipment which the children love to use at playtimes, lunchtimes and during PE lessons but we can never have enough! Vouchers can be brought into school or handed to the school office. Thank you for your support.

'Come and Play the JONK way!'

On Friday 9th June we are inviting you to 'come and play the JONK way'. The sessions will be full of fun games which you can play with your child out on the school field (fingers crossed for dry weather!) to promote collaborative learning. All children will take part in a range of activities, whether it be on the field with parents able to attend, or in class with their peers.

Due to needing to resource the event we are asking for parents to sign up to the event by returning the slips on the letters which will go home on Monday. We look forward to seeing you there.

Please be aware.

Headlice is doing the rounds at both the Infant and the Junior School. Please make sure you check your child's hair regularly in order to eradicate this break out.

Year 6 'Top Class' photo for Norfolk News

Norfolk News will be visiting MJS on Wednesday 24th May to take a class photo of Year 6 for their feature 'Top Class'.

Time to polish the shoes, perfect the hair and practice the smile!

KS1 Cross Country Success

Last week, 30 children from KS1 attended a cross country race at Holt. With 3 gold medals and some silver and bronze, we are very pleased to say we won the event, narrowly beating large schools like Cromer and Holt. Well done to all the children involved, we are very proud of you!

Also, we must say a big thank you to children from Year 4 and 5 who went along to marshall the race and act as pacers for the younger children.

Excellent representatives of our school.

Families take part in Coastal Challenge

On Saturday 13th May some of our families took part in the mini coastal challenge for the Norwich City CSF charity. The challenge involved walking 22 miles on sand, mud, grass and road.

The children have been training over the last few weeks after school, with some days walking up to 8 miles! Each of the children had a personal goal which they achieved or exceeded. The total money raised is yet to be confirmed, however it is estimated to be around £1000! We would like to congratulate the children and parents in their achievement. A great example of many of our JONK learning behaviours!

Norfolk County Council **2016-2017** Norfolk Model Calendar

This calendar applies to community schools, community special schools, VC schools and nursery schools and sets the days on which school transport will be provided. While most Foundation, VA, Foundation special, free schools and academy trusts who are able to set their own dates, adopt the Norfolk Model, we advise you to check with your child's school before making holiday or other commitments.

Key - White dates - schools open to pupils
Yellow dates - pupil holiday
Red dates - bank holiday

Five staff training days will be selected from yellow dates, we suggest 1 & 2 September and 4 January and two others of the schools choice. Some may choose to use twilight hours for staff training instead of some or all of these
