'together aspire, together achieve, together we are stronger...'

18th July 2017

Dear Parents,

It has been a fantastic year for all three schools. The children have worked incredibly hard which has resulted in the best ever overall outcomes across all three schools at the end of; Foundation Stage (Reception), Key Stage 1 (Year 2) and Key Stage 2 (Year 6). This is testament to the dedication and tireless work of the whole team at The Coastal Federation; from our admin, site and catering teams, through to our teaching assistants and teachers, not forgetting our two super Heads of School; Miss Dallimore and Mr Hopkins - a huge **THANK YOU** to all of them.

I would also like to thank our numerous volunteers across the three schools who give up their time to support and enhance the children's learning, especially our Federation Governors who 'challenge and support' in equal measure, to ensure that your children get the very best out of their education.

I would also like to thank some colleagues who will be leaving us this year. Miss Kiley, Mrs Smith and Miss Walters have all made significant contributions to the lives of the youngsters in our schools and I would like to wish them the very best of luck in their new roles.

My final thank you goes to you, the parents of our schools, who work in partnership with us - supporting your children be the best they can be!

We have two special Congratulations Assemblies on Friday - MJS at 9.15 and MIS at 2.15, to which ALL parents are invited to attend. Parents of children who are receiving awards have been personally invited but I suspect there will be space for additional guests. Both of these assemblies will be held at MIS, as it is the larger of the two halls. I hope to see you there.

Have a super break with your children. We have planned a picnic and games in the park on **Wednesday 9th August 1.00-3.30 at Gold Park in Mundesley**. Please come along with a picnic and then join us in some games. All children are welcome but we ask an adult comes along too, as children will not be directly supervised by staff.

Please encourage your child to read during the holidays - it's so important and I look forward to welcoming you and your children back on **Wednesday 6th September**. For our year 6 children transferring to high school make sure that - a) you don't turn-up here in September, b) you don't worry about high school- it will be fine and c) take advantage of every single opportunity that presents itself - life is for living and it's full of fantastic learning!

Happy holidays!

**Simon Wakeman**  
Executive Head

**Annie Edwards**  
Federation Chair of Governors
