21st July 2017

Dear Parents/Carers,

It was fantastic to see so many of you enjoying CoastFest and making it a success. We raised just over £1,500, which will be spent on the development of the new field area, specifically on providing an enormous sandpit which will form the base for the play equipment.

Of course to make an event like this a success, we are dependent on the volunteers who give up their time to help. So I would like to say a BIG THANK YOU, to everyone that helped in any way, but I would like to also say a few special thank yous to Jenny Goodman, Sue French, Sally Shanahan, Ben Woodbridge and Gill Chatten and her helping hands. Another big thank you goes to those who helped from our community, who no longer have children at the school but are still willing to give up their time and energy to help with our fundraising.

After the success of this year, we are already thinking about next year and how to make it bigger and better, so watch this space. If anyone would like to join the PTFA to assist with the planning, please contact either myself or Jenny Goodman.

Enjoy the summer holidays.

Best Wishes

**Annie Edwards**

Chair of The Coastal Federation PTFA
