Practical arrangements For Christmas Fair for MIJS

If the weather is dry, the fair will be mainly held on the infant playground (you'll need to wrap up warm!).

Pick Ups

Both schools will end the school day at 2.pm.

MJS Children

If you wish to collect your child to look around the fair then please do so by arriving at your child's outside classroom door - Years 5 and 6 parents - your child's door are on the playground side, please use the path at the back of the school. Children who are not collected at 2pm will be escorted over to the infant school along with their belongings and will be supervised in a classroom and then released at 3.20 to you or to go home by themselves if they have permission. If you will be collecting at 3.20, please do so from the bottom of the ramp on the infant playground where they will be released.

MIS Children

Please collect your child at 2pm in the usual way - please ensure that they have all of their belongings as some of the school will not be accessible after this time. Any child not collected at 2pm will be supervised in a classroom and released at 3.20 via the ramp on the infant playground.

Children who will be using the bus or attending Pebbles will be escorted in the usual way.

If you wish your child to be collected by another parent at 2.00 the school office need to be notified in the usual way beforehand.

This is a new way of organising the fair and we really hope it alleviates the rather cramped previous joint fairs. We will be interested in any feedback/support for next year!

Look forward to seeing you there.
