'together aspire, together achieve, together we are stronger...'

20th March 2020

Dear Parents

As you know this is our last day to be open for some time. I feel particularly sorry for our Year 2 at MIS and our year 6 children at MJS and Bacton who will unlikely be back before the end of the year. If conditions get better and we re-open in July, we will try and organise a 'sending off' party.

The Government has made it very clear that the safest place for children to be is at home, and that is why they have closed all schools in England. We have to follow all advice to rid the Country and the world of this awful virus.

We have sent out a form today, given to us by Norfolk County Council for parents to respond to. A response is also required for children who currently have an EHCP and for children with a designated social worker.

The Government [guidance can be accessed here](#);

We will only be able to offer a fixed number of spaces (current advice is up to 20% of the total number of children on roll) between our three schools, based on staffing available and that may change on a day to day basis. We will give priority to our most vulnerable children followed by a key worker triage - a family with a single parent key worker or double key worker family, would get priority.

We will then try our best to create a list and will let you know if we can offer a space, as soon as is practicable.

Thank you for your patience with all of this - I know as a community, we can support each other and get through this.

Keep safe and well, look after each other

Simon Wakeman

Executive Head
