Christmas Celebrations this year in School

As we communicated earlier in the term, Christmas at the school will be a little different, however, we will be ensuring that we make the most of what we are able to do at this very special time of the year. We think it is important that our children take part in our usual MIJS Christmas activities with a small change so that they are adjusted to meet current Covid-19 guidelines.

Christmas performance

Here at MIJS we are hoping to produce a pre-recorded carol concert with each class performing a song interspersed with a Christmas story. Reverend Andrew Jones will also preside over a special Christmas message as a reminder of what this season means to all of us. Whilst you will not be able to join us in person, we hope that you will still have the experience of seeing your children perform. This year it does mean you can view this with the whole family and maybe even enjoy a glass of mulled wine and a mince pie at the same time!

Christmas Lunch Celebrations & Christmas Jumper Day

The children always enjoy a traditional Christmas lunch near the end of term and this year will be no different. The only difference is they will be tucking in to their Christmas dinners in their class bubbles! Bookings for the lunch will be opened shortly and you will be notified when it is available. If your child receives a free school meal, please ensure you book this as normal.

We will coincide Christmas Jumper Day with the class Christmas Lunch as normal to help the celebrations really get into the mood!

Christmas Crafts/Party

We will be enjoying a morning of Christmas Crafting again this year when the children will get the opportunity to immerse themselves in all things festive. On Friday 18 December we will be holding a Christmas party for the children in each of their bubbles, along with a festive movie. This will help mark the end of the term and we can then send them off for a well deserved break.

Christmas Cards

If your child would like to send Christmas cards to their friends then they will need to ensure they bring their cards in by Friday 11th December. Cards will be quarantined until Thursday 17th December and delivered to everyone on this day.

We hope that by providing as many "normal" activities as possible the children will have the opportunity to celebrate the festive season at school and embrace some of the adaptations.

Thank you as always for your continued support.
