19 July 2021

Dear Year 1 and Year 2 Parents,

## Tuesday 20th and Wednesday 21st July

I am pleased to inform you that we are able to reopen for Year 1 children for the final two days of the academic year. Drop off and collection will be from the ramp on the playground. Collection for Year 1 will be at 3.10pm and Year 2 at 3.20pm.

We have been able to do this by making a very difficult decision involving a compromise. The compromise is the cancelling of Year 2s leavers songs, to which parents were invited. This is due to not having key staff in school. We really apologise for this but hope that you understand the reasoning behind this difficult decision. We would like as many children as possible to return for the last couple of days and now that the infant and juniors are in effect a primary school, the transition from one school to another is largely seamless.

Year 2 will have plenty of opportunities to celebrate their 'move up' and we would like to be able to invite parents into the junior school next year, to welcome them.

All Year 2 children will still have a day of celebration on Wednesday this week. Children will take part in a teddy bears picnic and games on the field. Please ensure that children have either a packed lunch or have a snack pack ordered.

We are certainly welcoming a return to 'normal' in September!

Thank you for your continued support and understanding.

**Abi Howett**

Head of School
