

# Coastal Together

'together aspire, together achieve, together we are stronger...'

12 May 2023

Dear Parents and Carers,

## Beach Day - Monday 15 May 2023

At last, we have come to the end of SAT's week!

All the children tried their very best and we are very proud of them!

Each year at the end of SAT's we like to celebrate with the children and recognise all their hard work and effort across the week. This year, we will be taking them to the Beach in the morning followed by Fish and Chips for lunch!

Please ensure that children come in on Monday with the following in a bag:

1. A Towel
2. Change of clothes/beach shoes (in case they get wet!)
3. Water bottle
4. Sunscreen/hat (just in case the sun does appear)
5. A snack
6. Bucket and spade

It will be Mufti on Monday (only for Year 6) so no school uniform required, but please dress for the weather; a sweatshirt or jumper is always advisable as it can be more chilly next to the sea.

You will not need to book a lunch for the children on Monday as this will be provided and we will be making an advance order so any child that does not eat fish will be able to order something else instead.

We will not be swimming in the sea but may paddle!

I am sure you will join us in congratulating your child for all their efforts and we look forward to seeing them on Monday.

Kind regards

**Sophie Bugg**
