Transition Days - Monday 10 and Tuesday 11 July 2023

Dear Parents,

This year our transition days for children to experience their "new" classes will take place on Monday 10 and Tuesday 11 July.

During the transition days children will 'move up' to their new class and spend the two days with the new classes, teachers and support staff. We hope that this will enable the children to get to know their new teacher, support staff and classroom and in some cases other children that they may not know so well.

We will write to you again on Friday 7 July with the details of which class children are in and their class teachers along with all the details for drop off and collection for those 2 days.

Yours Sincerely,

Simon Wakeman
Executive Head
