Dear Parent/Carer

Year 6 Homework

As we approach the end of the Autumn term, and look ahead to the new term, I wanted to inform you about the introduction of weekly homework.

Starting after the Christmas break, your child will be assigned weekly homework in both mathematics and SPAG (spelling, punctuation, and grammar). The primary goals of this initiative are to better prepare our students for the transition to high school and to provide valuable practice in anticipation of the upcoming SATS.

The assigned homework will be set by Mr. Sharman, the Year 6 class teacher. It will always be related to learning that is taught in class, ensuring that your child can tackle the homework tasks independently. We understand that certain concepts may be challenging and if your child encounters difficulties with any aspect of the homework, they are encouraged to reach out to Mr. Sharman directly. He will be more than willing to provide clarification and assistance.

Mr. Sharman will take the time to thoroughly explain the homework system to the children, ensuring they understand the expectations and how to approach each task.

We appreciate your ongoing support in your child's education and development. If you have any questions or concerns regarding the homework or any other aspect of Year 6, please do not hesitate to get in touch.

Wishing you and your family a wonderful Christmas holiday and looking forward to a successful and productive term ahead.

Sophie Bugg
Interim Head of School MIJS

James Sharman
Year 6 Teacher
