UPCOMING

Cherry Class events

2024/25

Throughout the year, we will be hosting Parent Cafés to welcome parents/carers into our school. Each half-term, we will focus on a different theme, with a special activity designed around that theme. It's a great opportunity for you to visit the school, engage in the themed activity, and take a look at the wonderful work your child has been doing. We look forward to seeing at some of these events across the year!
