MEET OUR SENDCO

Mrs Crosswell

About Me

Hi! My name is Archna and I am delighted to be joining the team here at Mundesley to bring my expertise in SEND provision to this wonderful community. With my experience as a SENDCO, my priority has always been to ensure that children with SEND receive the best possible support needed to thrive and succeed. I am particularly passionate about building strong partnerships with parents and carers; working together to support each child's development.

I also enjoy incorporating wellbeing practices, such as yoga, into my work, as I believe they can greatly benefit both students and staff. I look forward to contributing to the school's inclusive ethos and helping every child to thrive.

Contact

You will find me at school on Monday and Tuesdays.

Please call the school office or email a.crosswell@coastaltogether.co.uk

What to do if you need support?

We are here to help! If you have any questions or concerns about your child's progress, your first point of contact should always be the class teacher. They are responsible for the progress and development of every child in their class and are the best person to speak to initially.

I work closely with classroom teachers and the leadership team to review the progress of all pupils, particularly those on the SEN register. Together, we will assess any additional support your child may need and make the necessary adjustments to their provision.

We operate an open-door policy, and you are always welcome to arrange a meeting with your child's class teacher.

I look forward to attending some of these meetings and meeting as many of you as possible, ensuring we work together to support your child's needs.
