6th September 2024

Dear Parents and Carers,

Re: Year 1 & Year 2 - KS1 From Past to Pixels Authentic Outcome

During each term, the classes think of an activity to showcase their understanding of what they have been learning during their topic lessons. This term Year 1 and Year 2 will be looking at the topic 'From Past to Pixels'. The main question which they have been answering is: How has technology changed from past to present?

Willow and Maple Class would very much like to invite the children to come in dressed from the past on Monday 16th September 2024 as a way of starting our new topic. This will be a great opportunity for the children to start thinking about the past and how times have changed.

We encourage you to use items you have at home and perhaps ask an older relative if they have some clothing the children could borrow.

If you have any questions please feel free to contact the class teachers.

Reminder: If you have any old pieces of technology that you are happy to be shown in class please send them in by Friday 13th September.

Kind Regards

Miss Gray & Mrs Kelly
Maple Class Teachers

Miss Allison
Willow Class Teacher
