AIM Federation: Small Schools, Big Opportunities

Friday 13th December 2024

Dear Parents/Carers,

Staffing Changes

I am writing to inform you of some upcoming staffing changes at Mundesley Infant School as we look forward to the new term after Christmas.

Firstly, we bid a heartfelt farewell to Mrs Farrow, who has been an integral part of our school for the past 10 years. Mrs Farrow's dedication to our children and her exceptional contributions, particularly through her amazing gardening club, have enriched the lives of so many students. Mrs Farrow's expertise will remain in the federation as she starts an exciting new chapter at Bacton Primary School, where she will be supporting the preschool. We wish her all the very best in her new role.

We are delighted to announce that Mrs Julia Temple will be joining our EYFS classroom team in January. She will be working on Mondays and Tuesdays. Additionally, Mrs Philp will be increasing her time in EYFS and will now also work on Wednesdays. We hope that you will join us in giving Mrs Temple a warm welcome to our team.

It is with great sadness that we also announce the departure of Mrs Driver, one of our incredible teaching assistants, who will be leaving Mundesley after Christmas to pursue a career outside of education. Mrs Driver has made a significant and lasting impact during her time with us, and her kindness and dedication have supported the children in countless ways. She will be greatly missed by staff and students alike, and we wish her every success in her future endeavours.

Joining us after Christmas will be Mrs Lisa Eglington, who will take on the role of teaching assistant. We are excited to welcome her to the team and are confident she will be a wonderful addition to our school community.

Thank you for your continued support as we navigate these transitions. If you have any questions, please don't hesitate to reach out.

Wishing you all a very Merry Christmas and a Happy New Year.

Yours sincerely,

Sophie Bugg
Head of School
