AIM Federation: Small schools, big opportunities

10th January 2025

Dear Parent/Carer

Census Day Dinner

The funding our school receives is based upon census returns that we have to complete each term. The amount of funding is dependent upon the figures that we submit, with particular emphasis on the uptake of school dinners. In order to help us to do the best for your children we are asking for your support.

This term, Census Day will feature the ever-popular fish fingers and chips, with sprinkle cake for dessert, and will take place on Thursday 16th January 2025. We encourage as many children as possible to enjoy a school dinner on this day, as this directly impacts the funding we receive.

Free School Meals/Pupil Premium - Families who receive certain benefits may be eligible for Free School Meals together with subsidised school trips & visits, additional sports clubs and other activities. You can either contact the school office for a form to complete and return to us or complete the online application Free School Meals.
Please Note: It doesn't matter what year your child is in as it may be the reduced trip prices that you will benefit from.

Please log onto the school money app to place your order. A jacket potato and snack pack option are also available. If you experience any problems please contact the School Office on 01263 720401

Thank you for your support in helping us secure the resources needed to benefit all our students.

Kind Regards

Sophie Bugg
Head of Schools MIJS
