January 2025

Dear Parents/Carers,

**Parents' Evening - Year 6**

We are pleased to inform you that this year's Parents' Evening will take place on:

- Tuesday, 11th February, and
- Thursday, 13th February

As you may know, the children in Year 6 will sit their SATs (Standard Assessment Tests) this coming May. These assessments are an important part of their educational journey and are used to measure their progress in key areas, such as reading, writing, mathematics, and grammar, punctuation, and spelling (GPS). SATs also help provide secondary schools with valuable insights into each child's academic abilities as they transition to Year 7.

To ensure you are fully informed, these Parents' Evenings will provide an invaluable opportunity to discuss your child's progress and understand how SATs work.

During the evening, you will have the chance to:

- Review past SATs papers to better understand the format and expectations.
- Meet 1:1 with your child's class teacher to discuss your child's progress, strengths, and areas for further focus.
- Take home a booklet containing essential information about SATs preparation, including tips for supporting your child at home.

We highly encourage your attendance, as these discussions play a vital role in supporting your child's success during this important academic year.

To schedule your appointment and for more information please see overleaf.

Yours sincerely,

Sophie Bugg
**Head of School**
