Dear Parents/Carers,

Phonics and Reading in Reception

We are so pleased with the wonderful progress the children have made in their reading and phonics skills this year!

To support their continued development, eBooks are available through our online reading platform.

Your child's login details can be found on a sticker inside their purple Home Learning book.

Please remember to record their reading in their reading log, as each entry helps them earn Mundesley Merits and encourages a positive reading routine.

The books assigned to your child matches their secure phonics knowledge. Little Wandle is a structured phonics programme that is designed to build your child's confidence and skills step by step, giving them the best possible start in their reading journey.

If you have any questions about phonics or reading at home, please don't hesitate to get in touch. Thank you for your continued support in nurturing a love of reading!

Yours sincerely,

Miss Bugg
Head of School

Miss Edwards
Class Teacher
