Dear Parents and Carers,

Phonics Workshop - What is Little Wandle?

Thank you to all the parents who were able to attend our Phonics Workshop yesterday. We truly appreciate you taking the time to join us and engage with the strategies and resources we use to support your child's phonics learning.

We understand that some parents were unable to attend, and we want to ensure that everyone has access to the information shared. After the half-term break, we will be sending out the slideshow presentation along with additional phonics information packs, so you have all the resources available to support your child at home.

In the meantime, you can access the parent portal for Little Wandle, the phonics scheme we use: https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/. Here, you will find free resources to support your child with saying their sounds and writing their letters. There are also some useful videos that show how phonics is taught at school, helping you feel more confident in supporting your child's reading at home.

If you have any questions or would like further clarification on any aspects of phonics, please don't hesitate to reach out.

Thank you for your continued support in your child's learning journey.

Yours Sincerely,

Sophie Bugg
Head of School
