Dear Parents and Carers,

Phonics Workshop - What is Little Wandle?

Following my previous letter before the half-term regarding the Phonics Workshop, I wanted to update you with some further information.

We understand that not everyone was able to attend the workshop, so we have recorded a video for you to watch at your convenience. If you were unable to join us or would like to revisit the information, please follow the link below to access the video:

Along with this letter, you will find some additional information about your child's phonics reading journey. This will give you further insight into their current progress and ways to support them at home.

If you have any questions, Miss Allison, our Reading Lead, is always available to help, as well as your child's class teacher. Please don't hesitate to reach out - we are more than happy to support you.

Yours Sincerely,

Sophie Bugg
Head of School
