Dear Parent/Carer

Re: Changes to Coastal Club Wraparound Care

Following feedback from both children, parents and staff we have reviewed the structure of our Coastal Club sessions. As a result, with immediate effect, we will no longer be running themed activities during wraparound care.

Instead, Coastal Club will now offer a more relaxed, unstructured environment where children can wind down after their busy school day. We will continue to provide biscuits and squash, and a range of activities will be available both inside and outside, including colouring, board games, Lego, bikes and more. We will also be showing different films and TV programmes for the children to enjoy if they wish.

We believe this change will better support the children's needs at the end of the day, giving them a calm and flexible space to relax, play, and socialise with their friends.

Should you wish to change or cancel any bookings this week in light of this change, please contact the school office, and we will arrange a refund.

Thank you for your understanding and continued support.

Kind Regards

Abi Carter
Deputy Executive Headteacher
