Thursday 22nd May 2025

Dear Parent/Carer

Re: Junk Modelling Request

We hope this message finds you well. As part of our upcoming project 'Buzzing about Diversity', we will be doing some junk modelling in class, and we need your help!

Junk modelling is a fantastic way for children to explore their imagination and develop important skills such as problem-solving, teamwork, and design. To make this possible, we are asking families to send in any clean, safe, and recyclable materials you may have at home.

Here are some ideas of what we're looking for:

- Cardboard boxes and tubes (e.g. cereal boxes, kitchen rolls)
- Plastic bottles and lids
- Egg cartons
- Clean yoghurt pots or tubs
- Bottle tops
- String, ribbon, or wool
- Bubble wrap or packaging items

Please do not send in glass, sharp objects, toilet roll tubes or anything that has previously contained nuts or allergens.

Materials can be brought in from Monday 2nd June 2025, and we'll be collecting them throughout the first week back after the half-term break.

Thank you for your continued support, we can't wait to see the amazing creations your children come up with!

Yours Sincerely

Courtney Allison
