Dear Parents/Carers

Re: Library Visits

Over the next term, each class will have the opportunity to visit Mundesley Library for an afternoon.
During the visit, the children will learn about how libraries work, have a chance to ask any questions, enjoy some browsing time, and come together for a story before heading back.

If your child has a library card, they will be able to borrow up to two books. If they don't yet have a card, you can contact the school office and we will send a form home with your child.

This visit is covered under our local visits consent, so no additional permission is needed. You will only be contacted if you have not provided this consent.

School Visit to the Library

Did you know?

- Using the library to borrow books and use the computers is free for everyone.
- Reading at home makes a big difference to how well children get on at school and after school – children who read more succeed more!
- Everyone who joins the library can borrow up to 15 books at any one time; and you can download eBooks and audiobooks for free too.
- From coding, crafting, LEGO building and learning, your local library is a great way to explore new skills, make new friends and discover a new world of exciting books.

Your child's class will be visiting Mundesley Library to find out how to use the library and borrow books.

If your child already has a library card and you and their class teacher are happy to let them borrow some books, then please make sure they bring it with them to use on the day.

If your child hasn't joined the library yet, if their card has been lost, or if their card has not been used for a long time, **please contact the school office for a form to complete and return before their visit to the library**, so we can update their account or give them a library card on the day. Please ensure you complete all parts of the form clearly, using block capital letters.

If you prefer, your child can be offered a Lite membership, so that a maximum of 2 books can be borrowed at one time. This can be changed to a full membership at any time by popping into your local library and speaking to a member of staff.

If you would like to join online, or join others in the family, please visit any Norfolk library, or join online at :
