AIM Federation: Small schools, big opportunities

Thursday 1st May 2025

Dear Parent/Carer

Subject: Sun Safety Reminder – Sun Cream, Hats & Warm Weather Guidelines

As we begin to enjoy warmer weather, we would like to remind you of a few important guidelines to help keep our pupils safe and comfortable during the school day.

- **Sunhats:** Please ensure your child comes to school wearing a sunhat to provide protection from the sun during outdoor activities.
- **Suncream:** Please ensure your child has sun cream applied **before coming to school each day**. If needed, children will have the opportunity to reapply their own sun cream before going out at lunchtime.

Please note: We recommend sending in a roller-style suncream, as these are the easiest for children to use independently. You can also use a refillable roll-on sunscreen applicator, such as the Solar Buddie (available from Sainsbury's and other retailers), which allows you to fill it with your preferred sunscreen. No aerosols or sprays please.

Staff are happy to help children, but please note that staff are not permitted to apply suncream directly to pupils.

We appreciate your support in helping us keep all children safe while enjoying the sunshine.

Regards

Abi Carter
Deputy Executive Headteacher
