Dear Parents/Carers

Re: A Warm Welcome to the New Academic Year

I'm delighted to welcome you all back to Mundesley Infant and Junior Schools after what I hope has been a truly wonderful summer break.

We are looking forward to another exciting school year, and I hope your children are feeling ready to begin or to resume their learning journeys with us.

Understandably, there may be a few first-day nerves, but by the end of this week I am sure that we will all be back into the familiar rhythm of school life.

I am looking forward to meeting you all and so, when you see me, please come and say hello. It will be lovely to put faces to names. I would also like to reassure you that we are here to support you and your children and that my door is always open.

You will have received permission forms for the academic year. Thank you in advance for completing and returning these promptly. Please note that this is the final year that we will be refreshing permissions annually from now on, the permissions you provide this year will remain on file unless updated by yourselves as your child's legal guardian. If you have any questions regarding this please don't hesitate to get in touch.

I will be in contact again soon, but in the meantime, I wish you and your families a smooth and positive start to the year.

Regards

Claire Pateman
