AIM Federation: Small schools, big opportunities

Wednesday 10th September 2025

Dear Parents/Carers,

**Re: After-School Clubs - Autumn Term 1**

We are excited to offer a wider variety of after school clubs this year, giving children the chance to explore new activities, develop skills, and enjoy experiences beyond the classroom. These clubs support children's physical, emotional, and social wellbeing by building confidence, encouraging teamwork and creativity, and fostering friendships across year groups. Our aim is to provide something for everyone, so that each child can find a club they look forward to each week and feel proud to be part of their school community.

During the **first half of the autumn, spring, and summer terms**, we will run additional free teacher-led clubs (with a small charge in some cases for ingredients/resources). A range of clubs is listed in the table below and can be booked via the survey link.

Children can sign up for more than one club, but as places are limited, we cannot guarantee their first choice. Clubs will run from the week commencing 15th September to 17th October (5 weeks). Click here to sign up by 6pm tomorrow, and you will receive a text confirming which clubs your child(ren) have been allocated on Friday. Please note that, due to the limited number of spaces, we will be monitoring participation and attendance.

In addition, we will also be running a selection of lunchtime clubs. Children will have the opportunity to sign up for these during the school day, giving them even more chances to take part in activities that interest them.

In addition to the clubs listed above, our usual Coastal Club provision will be available daily from 3:20pm–4:30pm. Bookings can be made via the School Money app.

We hope as many children as possible will take advantage of these fantastic opportunities. Please book early to avoid disappointment and give your child the chance to enjoy everything on offer this year.

Regards

Claire Pateman
