Dear Parents/Carers

Re: Coats4Kids

We are delighted to share some wonderful news with you. Our school has been gifted voucher codes from Coats4Kids, a fantastic charity that provides support to families by helping them access warm winter coats for their children.

These vouchers have been made possible thanks to a generous grant from the Jim Agnew Memorial Trust.

If you feel this support would be helpful to your family, please do not hesitate to get in touch with us. We will ensure all requests are handled with the strictest confidence.

Once your request has been received, we will text you a voucher code that you can use to redeem a coat for your child. As these vouchers are limited, they are intended for families who would genuinely benefit from this support.

We are so grateful to Coats4Kids and the Jim Agnew Memorial Trust for their kindness and generosity in helping us ensure every child stays warm this winter.

If you would like to receive a voucher code, or have any questions, please do not hesitate to get in contact with us.

Regards

Claire Pateman
