Dear Parent/Carer

Re: Parking at Drop-Off and Pick-Up Times

It has come to our attention that there have been several incidents, including one this morning where a local resident reported their car being hit, related to parking around the school. As a school at the heart of our community, we want to work together to ensure that drop-off and pick-up times run as safely and smoothly as possible for everyone.

We fully appreciate that parking near the school can be difficult, especially given our location opposite residential roads. Sadly, we have received reports of residents being blocked in by vehicles parked across entrances and exits in that area. This applies specifically to Gordon Terrace and Barley Close.

Please DO NOT:

- Block the entrances or exits to residential roads or cul-de-sacs.
- Use residents' driveways to turn around in or wait
- Stop in the middle of the road to drop your child off, even for a few seconds, this creates safety risks for everyone.
- Park on the yellow 'No Parking' hatchings

Please DO:

- Walk to school if you can - walking is free, healthy, and gives children valuable road safety experience.
- If you have to drive because you live outside the village, please consider parking a short distance away and walking the last 5 minutes.
- Take advantage of our 10-minute drop-off window in the mornings to help ease congestion.

We would like to remind everyone that although it is not the school's responsibility to manage the public highway and parking, we are all part of this community, and it's important that we act as good neighbours.

Thank you in advance for your cooperation and for any adjustments you can make to your current arrangements to help improve the situation for everyone.

Regards

Claire Pateman
Head of Schools MIJS
