AIM Federation: Small schools, big opportunities

Monday 5th January 2026

Dear Parents/Carers

**Re: Weather Conditions**

We fully intend to be open tomorrow and look forward to welcoming the children back to school. However, should weather conditions significantly affect staff or pupil travel, we may have to make the difficult decision to close the school. In this situation, parents and carers will be notified promptly via email and our Facebook page by 7:30am.

School closure updates can also be checked on the Norfolk County Council website: http://disruptions.norfolk.gov.uk/

The playground and school paths have been gritted; however, we ask that everyone takes extra care when moving around the school site. We would also like to remind parents and carers that children are not permitted to use the play equipment during drop-off or pick-up times, in line with our usual safety expectations.

We will review whether pupils can safely access the playgrounds/outside spaces tomorrow and will have our usual wet-play arrangements in place if this is not possible.

Thank you for your continued support and understanding. We look forward to seeing everyone tomorrow and would like to take this opportunity to wish you all a very happy and healthy New Year.

Regards

**Claire Pateman**
Head of Schools MIJS
