Dear Parent/Carer

Re: Friendly Reminder About Event Bookings and Consent Deadlines

We know that family life is busy and there is often a lot to keep track of. We want every child to have the opportunity to enjoy the events and activities we arrange, so we would like to share a gentle reminder about booking and consent deadlines.

Deadlines allow us to confirm numbers, organise staffing and make the necessary arrangements. Moving forwards, once a published deadline has passed, we will be unable to accept late bookings or consents, or make changes to existing arrangements.

To ensure fairness for all families, we will need to apply this consistently and we apologise in advance for any inconvenience caused.

We will do our best to send reminders where possible, but reminders cannot be guaranteed. Please make a note of any dates and deadlines when you receive information from us, and ensure that bookings, payments and consent forms are completed by the stated cut-off.

If you have any questions or are experiencing difficulties completing a booking or giving consent, please contact the school office before the deadline so we can help.

We would never want a child to miss out but appreciate you working with us to help everything run smoothly.

Kind regards

Claire Pateman
